I am a young, hard working professional looking to start my career in a fulfilling role. I am interested in software engineering, web development, network security, and everything in between. I love problem solving, interesting challenges, and working with a team.

Work Experience

Systems Assistant

Northern Arizona University ITS Department

2014 - 2016

Flagstaff, AZ

Tasks/Achievements

- Created, tested, and maintained all of the computer images for NAU with a team.
- Ensured all the applications and programs are ghosted, installed, and documented correctly.
- Extensive software and hardware troubleshooting.
- Enforced network permissions through group policy and registry profiles.

Contact: Heather Bell - heather.bell@nau.edu (928)853-6688
